GREATER SACRAMENTO SOFTBALL ASSOCIATION

Affiliating your team(s) with ASA makes you a vital part of the National Governing Body of Softball. Your team(s) will enjoy the following:

Governing Body: ASA is the governing body of softball in the U.S. as approved by the Congress of United States and accepted as the National Governing Body by the U.S. Olympic Committee and the International Softball Federation. As the National Governing Body, ASA represents the game of softball for the United States of America.

Eligibility & Playing Rules: All ASA teams are governed by the same playing and eligibility rules, thus insuring your team fair competition in Championship tournaments. Player eligibility is governed by ASA National Codes and further defined by Pacific Coast Region Rules & Regulations.

Certified Umpires: ASA umpires must attend annual rules seminars and mechanic clinics, pass a written test and meet other requirements before they can be selected for a championship tournament.

Classification Of Teams: Sacramento ASA/GSSA has established a classification code to regulate teams and players with dominating ability from playing in a lower classification. Players and/or teams can request to be reclassified before they are eligible to compete in a lower classification.

Championship Competition: A championship tournament may be held for the following divisions and classifications: 'A', 'B', 'C' 10u, 12u, 14u, 16u, 18u & Gold.

Junior Olympic Classifications: December 31st of the previous year is the age cutoff.

- Gold:** This classification will include the most advanced Junior Olympic girls fast pitch players and teams in the United States. Many of these players have the potential to become a member of the USA Olympic Softball Team. Qualifying teams at this level will advance to 'Gold' National Championship. To qualify as a Gold team you must play in the Classification Tournament held in January of each year.
- Class A:** This level of competition is highly competitive with most players having consistent ability and pitchers capable of controlling a game. Winners of this level of competition advance to 'A' Nationals. Any team that does not meet the standards and regulations of the "B" program will be classified as "A".
- Class B:** This level is for recreational leagues only. All-Star Teams or League selected teams formed after May 1 are acceptable. The top finishers in this level advance to 'B' Western Nationals.
- Class C:** This level is for recreational leagues only and is specifically designed for leagues that are not highly competitive. It is the intent of the 'C' program to establish meaningful competition for teams that are unable to compete in the 'B' program due to a league size and skill level. Either All-Star teams or league selected teams formed after May 1 are acceptable.

Complaint Procedure

It is not the purpose of Sacramento ASA/GSSA to police our teams, coaches and players. When ASA National or Sacramento Rules and Regulations are not complied with and a written complaint is filed, an ASA official will investigate the problem. The following complaint procedure shall be used in Sacramento.

1. An Official Complaint Form must be filed.
The form is available on our website at www.sacramentoasa.org.

3. Evidence substantiating the violation must accompany and be listed on the complaint form (witness statements, documentation, photos, etc.) Witnesses to the violation must be named and their addresses and phone numbers listed in the complaint. Witnesses for or against the accused may testify at the hearing (limit four for each side). Written statements from witnesses unable to attend are acceptable.
4. A complaint will be acknowledged by email or mail within 2 weeks by a GSSA staff member. If a hearing is necessary, the hearing will be scheduled within a reasonable time, not to exceed forty-five days, provided all required information is in order.

FORM AVAILABLE ON CD - FORM

Suspension Hearings

A hearing will be held if it is determined that reasonable cause exists to believe the complaint is valid. Violation of specific rules in the ASA Code requires a minimum suspension time period. Other violations leave the penalty to the discretion of the hearing board or the Commissioner. All testimony will be considered in determining guilt or innocence and an appropriate penalty shall be determined when necessary.

It is possible that testimony received at the hearing will indicate leniency due to mitigating circumstances and in other cases, testimony may be received that necessitates a harsher penalty. When conducting a hearing, the GSSA hearing board will consider the past record of the accused, including previous official complaints, and testimony given by those in attendance.

1. If a hearing date is set all parties will be notified in writing.
2. Each party (complainant or accused) may request no more than one postponement.
3. Four people for the accused and four people for the accuser may give testimony.
4. If the accused fails to appear without notification and just cause, the hearing board shall proceed with the hearing and take proper action.
5. If the accuser fails to appear on the hearing date, the complaint may be dropped.
6. Sacramento ASA/GSSA is empowered to conduct necessary investigations into charges brought against another GSSA team, coach, player or umpire as a means of proving or disproving the charges.

Complaint Procedure Continued

7. An ASA Commissioner or GSSA Staff member or representative who witnesses or has irrefutable evidence of a violation of the code at a tournament may immediately remove a player, manager, coach or team from further competition in that tournament immediately. A suspension hearing may be held as soon as possible to determine if further action needs to be taken by Sacramento ASA/GSSA.
8. Any manager, coach or player suspended from Sacramento ASA/GSSA will forfeit all rights and privileges given a member under the ASA National Code, Pacific Coast Region and Sacramento ASA rules and regulations. The forfeit of rights & privileges shall include, but not be limited to:

Non-Compliance Policy: A minimum of an additional twelve months added to the original penalty.

The following will be the responsibility of the said party in regards to ensuring eligibility of players and teams for Championship Play Events.

1. Commissioner Responsibility:
The local commissioner has the ultimate responsibility to verify the classification and eligibility of all teams from their area participating in Championship Tournaments.
2. League/Organization President Responsibility:

 - b) The president shall notify the Jr. Olympic Commissioner of any possible infractions.
3. Team Manager Responsibility:

 - b) The manager shall be prepared to provide proof of age and picture ID at every championship play tournament for each rostered player.

Sacramento ASA/GSSA Individual Registration

The first step toward managing an “A” or “B” All-Star team is the registration of that team and players with Sacramento ASA/GSSA. You will do this by logging on to www.registerasa.com and creating an account for your team/organization. If you are creating a new account, be sure that you link your team to Sacramento ASA. After completing the online registration process you will mail your invoice with payment and proof of age to the address listed on the invoice. Managers, coaches and chaperones are also required to sign the Background Check Release form and send it in along with a copy of their driver’s license. There is a step-by-step guide to online registration available online if you need it.

Once we have received your invoice and check, your team players and coaches will be verified and approved. Once we approve the invoice, the ID cards will be mailed to you directly from RegisterASA which is located in Texas. You will receive two sets of ID cards. You should give out the first set to each of your team members and keep the second set with you either in a binder or on a ring. It is mandatory starting in January of 2009 that each member of the coaching staff wear their ID card around their neck on a lanyard during championship play. Only those team staff members that have been registered and background checked will be allowed to participate as managers and coaches and be allowed on the field or in the dugout.

Individual registration including Photo ID’s and Background Checks is required for every “A” or “B” All-Star team that registers with Sacramento ASA. When you register your players, this insurance coverage stays with this player throughout the year and follows her if she chooses to leave your team. This insurance is designed as a benefit of their ASA registration and is meant to supplement any existing coverage they may have with their parent’s health plan. There is also a \$2,000,000 liability policy to protect the players, coaches, and team against lawsuits arising out of their softball participation.

Each registered member receives their own ID card with their photo, name, date of birth, ASA age. On the back of the card is information regarding the insurance coverage and the number to call in case of an accident claim. You can also get this information on the Bollinger Insurance website at www.bollingerasa.com. This form must be signed by parents, team manager and State Commissioner or his designee prior to sending the claim form to Bollinger Insurance. This coverage is effective January 1st through December 31st of the current year.

ACE Certification

Starting in 2009, ASA has mandated that one member of the coaching staff during championship play, must be ACE certified. You may obtain your certification by going to: <http://ace.usasoftball.com/ace/home.asp>

Team Insurance Certificate

Once you have registered your team with ASA you may request an insurance certificate. Some tournaments may require this to enter. Just send an email to the coordinator asking for a copy of your team’s insurance certificate.

Field Owners Insurance

Once you have registered your team with ASA or if you are a returning team, you may make requests for Certificates of Insurance naming field owners as additional insured. This allows your team to secure practice facilities. There is no additional cost for this.

To request an Additionally Insured Certificate, please log on to your RegisterASA account and click on the link that says “Insurance Requests” on the left hand side menu. Enter the name of the field, the full address and the name/age for your team. Your request will be submitted just as an invoice would. Once they are approved, you will be able to print them out directly from your account.

Team Notebooks

Most Managers participating in Championship Play find it helpful to create a team notebook in which to keep copies of all required paperwork. As a *suggestion*, the following items might be included:

Proof of ASA Registration:

Until your registration process is completed, keep a copy of your invoice. Once completed, you will receive two (2) photo ID cards for your players and one (1) photo ID card for managers/coaches. Keep one for your notebook and give one to the player's parents.

Proof of Insurance:

As per the ASA Code the ID cards are proof of insurance. You may request a team insurance certificate once your invoice has been approved, at the same time you may request an additional insured for Park & Rec, Cities etc. These can be requested from your RegisterASA account. It is a good idea to make several copies of the policy, since participation in some tournaments requires you to provide a copy to the tournament director upon registration.

Championship Roster:

Once your Commissioner/Coordinator has signed your championship roster, keep your copy in here. Again, you may find it useful to make several Xerox copies for mailing with tournament registration materials. The roster needs to be **double sided**, not 2 pages [landscape].

Individual Player Information:

One easy way to keep all necessary information regarding players ID cards is to get a sheet protector, such as one that holds business card's, that holds up to ten (10) ID cards. Put the ID cards in the same order as they are on the championship roster.

Other Items You Might Wish to Include:

A listing of all players with home addresses and phone numbers, extra copies of the team's tournament and practice schedules, copies of information distributed to the players regarding team rules, etc.

Staff Requirements

Beginning in 2009, Sacramento ASA/GSSA will mandate all coaches, managers and team staff to display their Registration Card & Ace Certification in a lanyard to be worn around the neck while participating in Championship Play. During non-championship play coaches on the field must display their registration cards. Sacramento ASA/GSSA will have lanyards available to purchase for \$2.00.

Required Paperwork

As a team Manager, you are **expected** to do specific paperwork. It is important for both you and Sacramento ASA/GSSA that these items be completed by the established deadlines found in the Green Book and on the website.

Projected Season Budget:

You are required to provide a projected season budget to all players **before** you have a player sign a player agreement. It is required that you also provide an end of season budget as well. Although ASA does not mandate the format you must use, a sample is provided toward the end of this guide.

Player Contract:

This form is valuable to you as a Manager because it protects your players from being pursued by other teams. These forms are not valid until they are **in the possession of the GSSA Coordinator**. Therefore, it is to your advantage to complete these forms as early in the season as reasonably possible and get them turned in. Once the Player Agreement is in the possession of the Coordinator, they become binding and, generally, players will not be released without your consent. Exceptions to this include the successful lodging of a complaint against a Manager by a player or parent or the conclusion of championship play for the current season.

Each player on your team must complete and return this three-part form to you in order to be a protected player within your organization. Be sure the player completes the top portion legibly with her full **legal** name and that the **full** name of the team is used. As a Manager, it is your responsibility to see that an amount is added to paragraph 4 prior to the player signing the form. If you do not include a dollar amount, ASA will consider the amount to be **zero**.

When the player has completed the top section and you have completed paragraph 4, be sure the player and parent/guardian, if the player is less than 18 years old, sign and date the appropriate lines at the bottom of the form. **Do not sign the Manager's signature line at this time**. This is used only in the event that you wish to release a player prior to the season end.

When this form has been completed and signed, separate the three copies. The player should be given the **pink** copy, and you should keep the **yellow** copy with your team paperwork. Send the **white** copy to the GSSA Coordinator at the address shown in the contact section.

If you choose to release a player during the season (at the player's request or at your desire), sign the bottom line of the yellow copy and mail it to the GSSA Coordinator. **Do not give the release to the player or parent**, as it is not considered to be valid until received by our office. If the player wishes to have a release for her records, you may sign the pink copy she was given at the beginning of the season or give her a Xerox of the yellow copy before you mail it in. It is not necessary to physically release players at the end of a season; players are automatically released when the team is no longer eligible for championship play.

Sending in Player Agreements of players that are not registered for the current season will not lock this player to your team. Our office will not accept any player agreements of any players that are not currently registered.

Required Paperwork Continued

Championship Roster:

In order to participate in championship play (any play that has the potential of leading to the USA/ASA National Championship or Western National tournaments), you must complete a Championship Roster. It is important that the players' names on this roster match **exactly** the players' names as listed on their photo ID cards and player agreement forms. **The use of nicknames is not acceptable.** If the proof of age says Jacqueline Porter, the roster should **not** say Jackie Porter. And if the proof of age says Cynthia Lewis, the roster may not list that player as Sissy Lewis!

Once you have obtained all player information, player signatures, and parent/guardian signatures for players under 18, you need to fill out the Manager's portion of the form. **It is not necessary to have Championship Rosters notarized.** You will mail these in with your entry to the Association Tournament. We will verify the eligibility of each player, then we will sign the roster, and return the original. Make a copy of the roster; this should be kept with your team records. You will need the original to enter championship tournaments. You may wish to make several copies of the original for submission with championship play tournament registration. We would suggest submitting copies to all tournaments and letting the tournament director know that you will hand carry your original.

On the RegisterASA site you can print your team roster, but it will only be accepted if it is printed landscape [sideways] and printed front and back on one sheet of paper. The RegisterASA roster will have all of your players that are registered, in alphabetical order with their ID number. You will need to get the signature of the players and their parents if under 18. The manager must sign the back of the roster as well.

End of Season Budget

At the end of the season (no later than 30 days after Nationals have ended or the team has completed championship play, whichever comes first), you must provide to all players an itemized statement of all expenses incurred and money expended during the season. Although ASA does not mandate the format you must use, a sample that might be useful as a model is provided toward the end of this guide.

Association Championships Entry Form

Participation in the Association Championship tournament is important. We expect each of our teams to compete in this tournament. Not only does it give your team the opportunity to qualify to represent Sacramento ASA/GSSA at the annual National Championship tournament, but it is also the only path to some other events.

Please note that the deadline is for *receipt* of entries, not postmarking, so be sure to complete and mail the form with time to spare in case of delay. **No exceptions to the deadline will be granted.**

National Tournament Entry Form

This form is required for entry in any ASA qualifying tournament including, Hall of Fame Qualifier, Hall of Fame tournament, any National Qualifier, Regional, Gold Regional, Gold Sector tournaments, Western Nationals and the National Championship tournament.

You can get this form signed at the Association Championship Coaches Meeting or by coming to the office ahead of time.

Required Paperwork Continued

Tournament Refund Request:

You are required to notify the tournament director one week prior to start of the tournament if you choose to not play in a tournament you have already paid for. **If brackets have already been created, refunds will not be given.**

Pick Up Player Form:

Once a team has qualified for a National Championship or Western National tournament, three (3) additional players may be added to its roster, but you **can not** exceed twenty (20) on the roster. These “pick up” players must be ASA-registered for the current season and must have a valid player agreement on file. “Pick up” players may be chosen from only those teams that are no longer eligible for championship play. This means that there are either no remaining qualifiers in which the team may participate or that the team has formally announced that it will no longer be participating in championship play during the current season. Send the completed Player Pick Up form to the GSSA Coordinator; be sure to complete a new Player Agreement for each “pick up” player. The Coordinator will verify eligibility of the “pick up” player(s), complete the form, and return it to the team Manager for presentation at the National Championship or Western National tournament, fax copies are acceptable.

‘B’ Recreation League

I. Purpose: The purpose of the Junior Olympic ‘B’ program is to provide a recreational program and championship tournaments for recreational teams registered with ASA.

II. Categories of Eligibility: All teams must meet one of the following two criteria to be eligible to participate in the ‘B’ program.

1. **Recreation League Teams:** These 6u - 18u teams must represent a recreational league. A recreational league is defined by the following criteria.
 - A recreational league is an organized league associated with a recognized community.
 - Participation is open to any interested youth.
 - A tryout or demonstration of skill is not required for participation.
 - Some type of draft, draw, or other acceptable method is utilized to ensure distribution of talent among the teams.
 - Teams must be approved by the League’s Board of Directors.

NOTE: Leagues who divide their age groups into split divisions based on skill level, must have no less than six teams in the more advance division. This rule applies regardless of the method under which the split division is created, including but not limited to, player evaluations, league assignment, or parent request. Split divisions must not be used in age groups below 10u. All players in the split division leagues must be eligible for All-Stars.

2. **High School Age Teams:** 16u or 18u teams formed in a Metropolitan area where recreational league is or is not offered in their respective age classifications must be comprised of players from not more than five high schools represented on any one team.

III. Eligibility Policies & Procedures:

1. **Recreation League All-Star Eligibility:**
 - a) All 6u, 8u, 10u, 12u, and 14u players participating within the league must be individually registered with ASA by April 1st of the current season.
 - b) All team staff (managers, coaches, team parents) will be individually registered with proof of background check through Sacramento ASA mandatory registration system.
 - c) One team staff member must be ACE certified to participate in Championship Play.
2. **League Team Eligibility:**

 - b) Three (3) pick-up players from another Sacramento Area team AFTER the Association Tournament. Pick-up players must meet all player eligibility rules in rule 4 below.
 - c) Teams may be a single league team or All-Star team as selected and certified by the league.
 - If the league selects an All-Star team, the All-Star team shall not nominate, select, try-out, practice or play together before May 1st of the current season.
 - If the league selects a single league team, or the majority of players from a single team, this team must meet the requirements in section II above.

Note: A pre-season or mid-season team, selected tournament team is not eligible.

‘B’ Recreation League Continued

- d) Teams shall not have more than four (4) players who have participated on a travel team at any time after February 1st of the current season.
- e) Teams that participate in ASA ‘A’ or ‘Gold’ qualifying events, will not be eligible to participate in ‘B’ championship play events.

3. Player Eligibility:

- a) Players must play a minimum of 50% of the current seasons’ league games.
Exception: High School participants that are age eligible to return to the 14u age division may return to the league they participated in during the previous calendar year. The 14u All-Star team may have no more than 4 players who participated in High School play. All players returning to the 14u division must be registered within the league by April 1st of the current season.
- b) Players who have played in a higher league age classification during the current season are eligible to play in their correct age classification during Championship Play.
- c) Players who have participated on a team other than their own recreation league team (with the exception of a school team) after March 31st of the current season are not eligible. (i.e. a player shall not participate with any other All-Star or travel type team, including ASA or non-ASA after March 31st). **Exception:** For leagues that have more than one post-season team within an age group. Within the same league, a number one All-Star team may pull from the number two team with the approval of the Sacramento ASA Staff. Once the player is moved, she is locked to that team until the team has completed Championship Play.

Note: ‘Participate’ in the above shall be defined as “A player taking part in a try-out, practice, practice game, scheduled game, or tournament.”

- d) Players shall not play on more than one team in ASA Championship competition during the same season except as a pick up player.
- e) All players participating in championship play must have Sacramento ASA/GSSA issued photo ID cards.

4. League Pick Up Players: (See also ASA National Code)

- a) ‘B’ All-Star pick-up players shall meet all player eligibility rules in this section.
- b) A player can only be a pick-up player once per season.
- c) ‘B’ All-Star players whose teams are no longer eligible for championship play are eligible as pick-up players.
- d) Pick-up players must have played on a Sacramento ASA/GSSA registered team during the current season.
- e) Pick-up players must come from another Sacramento ASA/GSSA registered team from the Association Tournament. Pick-up players may come from within the same or lower age classification.

‘B’ Recreation League Continued

5. ‘B’ High School Age Team Eligibility:
- a) Team must be registered by June 1st, with a minimum of five players. A minimum of nine players must be registered prior to the deadline for the Association Tournament.
 - b) Team rosters may include 20 players including pick-up players.

Recreation League FAQ

Q: There are “Pacific Coast Region” rules, “National” rules and “Sacramento ASA/GSSA” rules. Which one has priority?

A: Eligibility rules start with the ASA National Codes. These are listed in the Official ASA Code. The National rules that govern Championship Tournaments are very broad in scope. Therefore the Pacific Coast Region clarifies these rules as they pertain to our region which includes California, Nevada and Hawaii. Regional rules may not conflict with National Codes. Sacramento ASA/GSSA in turn clarifies Regional rules to better suit our situations. The Sacramento ASA/GSSA rules may not conflict with Pacific Coast Region rules. It is very similar to our Federal, State and Local system of government.

Q: Can a player on a “travel team” and then play on an “all-star” team?

A: She can participate on both teams but must stop playing on the travel team prior to April 1st. At that time she must decide which one is more important to her an play either class ‘A’ or class ‘B’.

Q: How will Sacramento ASA/GSSA define “participate”?

A: As a player taking part in a try-out, practice, practice game, scheduled game or tournament.

Q: Can an 11 year old player who played with a 14u team during the league season be on the 12u All-Star team?

A: Yes, as long as it does not conflict with your local league rules. She must meet the age requirements.

Q: Can a league team enter the Championship Tournament without the approval of the league board?

A: No. Each team must be approved by the board of directors of each individual league.
