Automatic Payments plan available. Automatic Payments makes planning your trip budget easy because your payments are spread out evenly, giving you more time to pay. You choose a payment frequency (every 2 weeks, every 4 weeks, monthly, or quarterly) and your payments are automatically deducted from your checking or savings account.

Automatic Payments are available for all registered participants in My Account: www.acis.com/accounts.

Passports

Passports are required for all ACIS trips traveling abroad. You are responsible for obtaining your own passport so please don't delay! Visit your post office or a local office of the federal government for an application form. Note that some countries require that passports be valid for six months after you return to the United States. Please be sure that yours is up to date.

We recommend visiting the internet site: www.travel.state.gov/passport/. This is a very informative site, with answers to many passport and visa questions. It also allows you to print an application form to obtain a passport.
